COMPANY OVERVIEW

About Us

L2J Contracting and Supplies Company is also managed by LR2D Electrical Consultancy's Group of Companies. L2J CSC was formed and established due to the increasing demand of the market that will deal with the actual construction and implementation of projects in which some of it are given and awarded to LR2D Electrical Consultancy. Since the license and scope of works that had been approved for LR2D Electrical Consultancy is Design, Consultancy, and Project Management, they are not permitted to do the implementation works that is why L2J Contracting and Supplies Company was formed. L2J CSC will implement high-quality commercial, residential, industrial, infrastructures, and offices projects in construction where reliability, quality service, and honesty is the key requirement of our clients. Health Safety Quality and Environmental requirements is also been high on the agenda of the Management of L2J CSC.
